

EMAIL MANAGEMENT WORKFLOW

Sample triage system — prepared by Mary Rose Anonat, Executive & Personal Support Virtual Assistant

PRIORITY LABELS

Every incoming email is sorted into one of four labels within 2 hours of arrival during business hours.

URGENT	Needs same-day response — client emergencies, time-sensitive approvals, board/investor requests.
ACTION	Needs a reply within 24–48 hrs — routine client questions, scheduling requests, vendor follow-ups.
FYI	No reply needed — newsletters, automated reports, CC'd threads. Filed for reference.
RESOLVED	Handled and closed — archived after 30 days unless flagged for follow-up.
